

# Free Funded dTpa Vaccine for New Parents

Change of vaccine from **Adacel**<sup>®</sup> to

## Boostrix<sup>®</sup>

- ❖ This vaccine order contains **Boostrix**<sup>®</sup> instead of Adacel<sup>®</sup> and is provided for the exclusive use of providing **free pertussis for birth parents, adoptive parents and foster parents of children born on or after 1 May 2009.**
- \* **It is important to use your existing stock of Adacel**<sup>®</sup> FIRST before you commence using Boostrix<sup>®</sup> to avoid any wastage of vaccine.
- \* If you require Boostrix<sup>®</sup> for a Year 10 student you will still need to request the vaccine when you place your monthly order.
- ❖ When placing a vaccine order, please count both Boostrix and Adacel stocks, together with the expiry dates of both vaccines, to include in your stock on hand.
- ❖ If you have any enquiries regarding your vaccine order, please telephone **QHIP** on **3328 9888.**
